

Architectural/Building Acoustics – Technician or Consultant

MLM Acoustics are seeking a Technician or Consultant level acoustician to join our successful, dynamic and growing team. The technical delivery role would be based in our Chelmsford or Bristol office.

MLM Acoustics is part of a multidisciplinary engineering and environmental consultancy. MLM provides professional consulting services in all aspects of Environment Planning and Development, Buildings and Infrastructure, Compliance and Sustainability. Established in 1966, MLM have over 430 employees operating out of 13 UK offices serving the UK and international markets.

MLM Acoustics is a team of dedicated and experienced specialists in the fields of environmental, architectural and industrial acoustics. We strive for engineering excellence; we are innovative and passionate about the services we provide and we believe that committed and passionate people are a core part of being able to achieve our goals.

Candidates should hold a degree in acoustics or a related subject and have Technician or Associate Membership of the Institute of Acoustics (MIOA). To be considered for the role you must have experience in a comparable role. Excellent written and verbal communication skills are essential; candidates must be well organised and understand the need for accuracy and detail in all aspects of the role. A full driving license is also essential.

We look after our people and offer every possible opportunity to develop and grow; providing excellent support, training and career progression opportunities, with no glass ceilings. We offer a friendly and vibrant working environment, competitive salary, generous benefits package to attract the best candidates for the position and provide our employees with the freedom to choose benefits to suit their lifestyle.

If you are interested in this role, please forward your CV and covering letter to our HR Department by emailing sarah.ashton@mlmgroup.com.

MLM is an equal opportunities employer, so please inform us of any special requirements that you may have.

Please send your CV with details of your current remuneration package to sarah.ashton@mlmgroup.com quoting vacancy number 918.
