Ministry of Defence

Graduate Acoustician

Job Reference: 1560791

Type of role: Acoustics and Vibration / STEM

Contract type: Permanent. The role is currently based at RAF Henlow; however, RAF Henlow is due to close by April 2020 and so the role is expected to move in this time frame.

Location: Lower Stondon, Eastern, SG16 6DN

Working pattern: Full-time: 37 Hours

Number of posts: 2

Contract type: Fixed Term Salary: £24,934.00 and current functional MSS.

This post currently attracts a Market Skills Supplement of 15% reviewed annually. Please be advised that the Department reviews all pay related allowances annually which could impact on those allowances that the post currently being advertised may attract.

Licences: Full UK driving licence required

Qualifications: Recognised STEM degree/ Acoustic qualification

Closing date: 5<sup>th</sup> Feb 2018

For full details of the role please see the Civil Service Job portal.
